

DIMENSIONS AND SERVICE CLEARANCES

A Boiler width	395mm
B Boiler height	700mm
C Boiler depth	285mm
D Side clearance	2.5mm
E Upper clearance	178mm
F Lower clearance	150mm
G Front clearance (in operation)	5mm
G Front clearance (for servicing)	450mm

Service clearances shown here are the minimum recommended dimensions. Greater clearance will aid installation and maintenance.
